In these unprecedented times, Club has made it, its mission to bring as much joy as possible to anyone self-isolating, because if you do have to be stuck at home, it's better to loaded up with pages of fit birds parting their petals, to my mind. So if you flick your eyes to the right, you'll see we've done our level best with this ethos, giving you the delights of newbie's Scarlett Jones and Roxee Couture, as well as frim favourites Spencer Scott, Kayla Louise and Lottie Rose. These ladies should keep even the most carnal of chaps entertain for some time; especially when you hear just what Ellie gets up to at the weekend, weekday, in fact anytime, being the naughty minx she is. On that note, I'm going to get back to my own isolation, with a little reminder that dirty minds still need clean hands!

Dear The Lounge,
One of the hottest things I've ever done was shave my girlfriend Sophie's pussy. Nothing turns me on more than looking at a girl's bare pussy,

but up until last week, I had to content myself with looking at the gorgeous shaved babes in your magazine.

It's true that Sophie has allowed me to trim her bush occasionally and I've really enjoyed doing this, but it always took a lot of pleading and a little bribery to finally coax her into it. All the same, I'm lucky that Sophie is just as into sex as I am, so getting her to spread her legs is never a big deal.

Last week I paid for her to have a course of tanning sessions at a smart salon. She was so pleased that she kissed me and told me to strip off for my reward. Within minutes we were both on the bed completely naked. With a twinkle in her eye, Sophie handed me the trimmer and told me to strip off the first layer.

Wriggling into position, Sophie lay on her back with her legs open wide, and her pussy completely exposed to me. As I gently stroked her pubic hair, she sighed, lifting her head up so she could see what was about to happen. I rested on my elbows with the trimmer in one hand, using my other hand to carefully pull up straight little tufts of hair for the trimmer.

Moving my middle finger over the folds of her pussy to protect the delicate flesh, I proceeded to clip her pubes. As I trimmed the curls closer to her clitoris, I put my index and middle finger on either side to protect her swollen love button. I pinched it gently as I continued to trim the area above her pussy, and was rewarded by a moan of pleasure. Sophie closed her eyes and went with it, laying her head back and widening her legs as she let me finish the job.

“ Her pussy looked so arousing covered in the fluffy white foam that I chanced rubbing it between her folds...”

After I had trimmed her all over, I fetched some towels and my shaving kit from the bathroom. Filling a basin with warm water, I brought everything through to the bedroom and set them beside the bed. Then Sophie spread the towel on the bed and lay in position.

She looked so beautiful with her long legs bent at the knees and spread wide. Her newly trimmed pussy looked so inviting that I couldn't help bending down to kiss her there.

With a giggle, she told me to hurry up as she needed more than a shave to keep her happy down there. I grinned, and, taking a small hand towel, soaked it in the steaming water.

First checking that it wasn't too hot, I placed it across her pussy, and she muttered about how nice it felt, so I moved up the bed

and began to tease her nipples with my fingers and tongue. Sophie was writhing with pleasure as the hot towel softened her pubes in preparation for her shave.

Peeling the towel from her lovely pussy, I spread her lips and examined the area thoroughly. Pressing out a couple of squirts of shaving gel strategically around her pubic area, I lathered her up.

Her pussy looked so arousing covered in the fluffy white foam that I chanced rubbing it between her pink folds and massaging her labia and clitoris. She showed no objection! Within seconds Sophie was squirming around as I fingered her pussy with my soapy hands.

Her clitoris was so slippery as I pulled and pinched at it. In fact, Sophie was trying to hump my fingers and seemed desperate for an orgasm, so I slid two of my foam-covered fingers between her labia. She gripped the edge of the towel as I pushed them knuckle deep inside her dripping twat and began to

came, shuddering and panting, her pussy lips gripping my fingers until the intensity of her climax faded and I could feel her satiny pussy walls throbbing as they began to relax their hold.

Knowing that I would have to finish the shaving job before I could fuck that beautiful pussy, I removed my fingers and dried them on the towel. Then, holding the skin taut, I began to shave her pubes very carefully until her pussy was fully bald. It looked brilliantly smooth, and I rinsed the last of the foam and spread her lips to check for any stray hairs.

Satisfied, I moved up the bed, pushing my raging hard cock against her freshly shaven pussy. Sophie put her arms around me and pulled me on top of her, demanding that I fuck her as I hard as I could. I don't need to tell you, I was more than ready and I pushed my swollen cock head between her bare pussy lips.

She was well lubricated from her earlier fingering and slipped my full length inside her with ease. Her pussy muscles clamped tightly around my cock, and she wrapped her long legs around my back as I began to rock my hips back and forth. Sophie began to thrust her pelvis up to meet my strokes, and I pulled my shaft right back, then paused each time before plunging it back inside her.

She was very demanding, and I really put my back into satisfying her, increasing the pace and pressure and fucking her like I've never fucked before. And she fucking loved it! I finally felt her pussy muscles clamp around my shaft as she screamed out with her climax, and I pulled out just in time to spray my hot, thick cum all over her freshly shaven, bald little pussy.

move them around inside her.

As I was watching her, my cock was getting increasingly harder. Shunting my shaving foam lubricated fingers back and forth inside her pussy, I began to circle her clit with a fingertip. She sighed long and hard as her pussy tried to grip my slippery digits, which I started to move in and out of her with greater speed.

As she stiffened her back and arched her hips upwards to meet my plunging fingers I pinched her clit, and she

Kayla Louise, love the new two-tone hair, you're looking really fucking hot these days. Here's a question for you, what part of your body do guys compliment you on most?

Ooh, that's a good one. Well, guys do seem to love my ass and loads of people have told me it's my best feature. But I also get a lot of comments about my legs, which do look pretty good in stockings and high heels.

Where do you prefer to take a load?

That's easy: in my mouth. I love the taste of spunk, so I always try to get the guy to shoot down my throat.

Kayla you're a true trooper!

CLUB INTERNATIONAL

Dear Total Recall, I don't know if the blondes do have more fun, but I sure wanted to show Adriana from Club Vol. 33 No.2 the time of her life; it just goes to show that all these years later I still want to! Now, that's what I call magnetic effect, my dick is rising as I ponder that magnificent lace outfit, with white hold-

ups, and the trim and with flowers. Plus, what an arse! She's the type of girl who you'd love to read about in the pages of your Peaches section, I bet that ring is tight and puckered, you'd have a great job getting your knob in there.

So make a middle-aged man happy and feature the drop-dead Ariana again, please! - Alan, Braintree.

PHOTOS: TWISTS

It's been a while since we last saw Spencer Scott, but there's certainly one thing we haven't forgotten about this smoking lady.

Can we just say that you have absolutely fantastic tits?

That's very kind of you. I am rather proud of them, and they do get me lots of attention from men, which suits me just fine as I get really grumpy if I don't get some cock on a regular basis.

And I bet these guys always want a good

titty-fuck?

Yeah, guys always want to fuck my boobs – luckily it really turns me on as well. I love it when I'm laying on my back, and the guy straddles me, so his dick rests nicely in my cleavage. Then he can wrap my boobs around his shaft, and fuck my tits, which leaves my hands free to play with my clit. And I can still tickle the tip of his cock with my tongue.

You really are the very definition of a multitasking sex-goddess.

Babylon Berlin - Series 3

DVD £24.99

Weimar-era Germany is back with decadence and sequences galore, as the rip-roaring twenties that shook Berlin to frenzy hedonistic heights, before reaching the tipping point of the nation's darkest hour. Now on its third series, Babylon

Berlin is firmly on the world stage, as this detective drama, that takes its storyline directly from Volker Kutscher's novels of the same title, captures the essence of a forgotten era and tops off the cocktail with a bitter twist. With Nazi dictatorship on the horizon, the Wall Street Crash in full devastation mode, Berlin's jazz clubs keep on swinging, despite the plight of the poverty-stricken society. Our two detectives are sent to investigate the violent death of an actress, which sees them dragged back into the criminal underworld. This is a German drama to be reckoned with, and will have you reaching for the champagne.

Last Tango in Halifax Series 5

DVD £14.99

Welcome to Yorkshire and all its little ways, as we chart the lives of Alan and Celia, plus offspring, extended family, and any waifs and strays that happen to come along; very hospitable these northerners. Spot on writing from Sally Wainwright, whose immense powers of observation must be akin to a hawk, and it's prey, as she swoops in, often bringing our own family ticks and quibbles to the screen. It could be this familiar interplay that makes her series so popular in general (Happy Valley, Scott and Bailey), as well as, the top-class actors she nabs to deploy her words; Sarah Lancashire (The Accident) and Nicola Walker (The Spilt), can these women do no wrong! An engaging series that doesn't boast about its seriously punchy weight.

The Gentlemen

£9.99, Blu-ray £14.99

This could only be a Guy Richie movie, an unleashed version, this time around, with serious violence, non-PC verbal play, and a mischievousness that has been missing from his last few films. Perhaps, someone has let Richie get on with it this time. There are a lot of named actors on this board, Matthew McConaughey, Hugh Grant, Charlie Hunnam, Jeremy Strong, Eddie Marsden and Colin Farrell. With the chaps greatly outweighing the ladies, cue Michelle Dockery, this is the set up we've come to expect with Richie. This time around there are some sleazed up characters, in racey suits and oddball glasses like Hugh Grant's character complete with goatee; plus Farrell's tracksuits, the tartan one being a thing of wonder. A hit for any night of the week!

O kay then, Scarlett, let's get straight to it, this being your first time in Club and all. What's the best way to make you cum?

Push a nice big cock into my pussy and then fuck me slowly for ages, while kissing and sucking my nipples. That's guaranteed to make me cum and cum. I'm lucky because I can have multiple

orgasms, which scares some of the fellas I've been with.

Why on earth do they get scared?

Because my whole body starts shaking and I start yelling out really loudly! I remember one guy I slept with. I was bouncing up and down on his dick, and it kind of came over me in a rush. The poor guy thought I was having a heart attack!

Offering a bright crisp supsize image of excellent quality, with 10w speakers mounted on

It's handling of 4k is surprising, with great results, but if you're a purest for Netflix 4K HDR then it's not that great with the pixel rate, but only a full 4K projector could keep up; and let's face it who could afford one of those. 2019 saw the 40th anniversary of Sony's first-ever Walkman, but instead of caving into the small rising demand for actual cassettes, Sony released this limited edition NW-A100TPS music player. Hi Suzana. Done anything hard and horny since we last saw you?

The usual, you know, making porno, getting fucked really hard, playing a few digeridoo's and just being a dirty little bitch!

Glad to hear you're keeping it dirty, but do you prefer fucking guys or girls?

Haha, that old question, eh? God, there's no comparison. Having a guy fuck you hard in the ass is totally different to licking some little hottie's pussy, so I can't say I like one better than the other. I fucking love both. But when it comes to having my pussy eaten, I gotta go with girls because they know how to lick pussy so much better. I love having my pussy licked, and there's no feeling like cumming on some cute, little bitch's tongue. Some guys are so rubbish at eating me, and if I'm willing to give a man the blow-job of his life, he better learn how to lick pussy real good!

Digital Playground

Starring: Ryan McLane, Xander Corvus, Jenna Stavia, Kimber Woods, Derrick Pierce and Arya Fae.

Synopsis: It's all about the hitchhiking, without the murderous

outcome.

Verdict: Not, thankfully, some sort of take on the old Harry Secombe programme, this is the tale of the remarkably attractive Kimber Woods who, when we meet her, is hitching her way home. Almost incredibly the first car that passes doesn't stop, but when Derrick Pierce trundles up in his utility vehicle, he wastes little time in offering a lift. It turns out to be a good decision, because Kimber's more than happy to repay the favour; they pull over and she whips out his knob for a noisy slurp. Needing more room,

they make their way to the back of the ute and get down to things properly, Derrick showing admirable staying power before pasting her tongue. Putting up at a motel for the night, Kimber finds herself sharing a room with Arya and Jenna, who happen to be hard at it in the shower, with plenty of fanny licking and fingering to keep everyone happy. The trio get into a few more scrapes – like pinching Ryan McLane's car, while Arya fucks him in the bogs – before Kimber makes it home to have it off with her step-bro and out with her step-dad!

Silicone Valley, Nerd Sex!

Private

Starring: Elle Rose, Baby Nicols, Daniella Margot, Briana Banderas, Nelly Kent

Synopsis: "Gorgeous geeks let their inner-wild side out in Private's fuck fuelled tech fest, Silicon Valley, Nerd Sex! The hot Elle Rose gets things started with a hardcore session with Luke Hotrod and her skills are matched by the vicious Latina Baby Nicols; this slutty gamer shows how she handles big joy-sticks. The fun doesn't stop there, these girls are joined by cock sucking experts Mary Rock, Brianna Banderas, Nelly Kent & debutant Daniella Margot who gets broken in with some hardcore anal!"
Courtesy of Private.

Verdict: Once upon a time, of course, the

only Silicon Valley you'd find in a bongo flick was the one between the starlet's fake knockers, but since nerds are all the rage these days thanks to shows like The Big Bang Theory that's all changed. And while we're on the subject of big bangs, there are certainly quite a few of them going on in this feature. Cute Elle Rose is first up to the plate, looking around a fancy pad with her fella (Mackem Luke Hotrod). Delighted she can get a Wi-fi signal there, the pair celebrate with a no-nonsense porking on the kitchen table, with a good bit of oral to start before Luke plunders her fore and aft.

There's another English stud in action next, taking on Latina Baby Nichols after a bit of gaming fun, which they both quickly realise isn't quite as much fun as shagging. Very stroke-worthy stuff.

Roxee
PHOTOS: BBMEDIA

So, Roxee, you're young, you're gorgeous, and you're an adult star. Can life get any better?

I'm one heck of a lucky girl! I love my life right now, and I don't really know what could make it better. Maybe if they invented chocolate that wasn't fattening. Now that would be really cool.

Which begs the question: Do you prefer eating chocolate or sucking cock?

Mmm, now that's a tricky one. I guess it all depends on what kind of chocolate and whose cock...

How about a Penguin you've had in your handbag for a month or my cock?

So naughty! Sorry, it'd have to be the Penguin.

I'm sure there's a hefty queue of takers for watching you nibble a Penguin, more so than my cock anyway!

So Elle, what's the weirdest sex you've ever had?

I went out with this scorching babe once, and she was really into feet and toes. We used to get all worked up and horny at my flat, fucking and sucking each other like crazy and then she'd push her big toe into my pussy, and I'd do the same to her. I know it sounds a bit odd, but it felt really nice and totally kinky. It's making me horny now just thinking about it.

Is that what's known as 'pussy-footing around'?

Oh my god, that's awful! I was getting myself all turned on and horny, and you've just gone and totally spoiled the mood!

Talkin' Blue

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

DIRTY DIARY

I share a house with a couple of guys and a couple of girls in Clapham. It's not exactly Friends, and I'd love to get my own place, but I simply couldn't

afford it. Most of us get along okay with the exception of Gina and me. Gina's had it in for me since the day I arrived, and I figured I must've wronged her in a past life because I couldn't think what I'd done to make her dislike me so much in this one.

Then, the other week, I was rooting around in her room (I was looking for my headphones, which had gone missing) when I found her diary. Normally I would've respected her privacy (well, perhaps not) but I thought there might be some clues in it as to what I could've done to upset her so much, so I had a look. When I read it, I couldn't believe my eyes. Page after page was filled with filthy fantasies concerning me. There were stories about me sneaking into her room at night to fuck her late at night and stories about me watching porn and making her do what was happening on the telly and all sorts of stuff like this. These stories were so filthy that I spent the entire afternoon making baby Jesus cry while I read them. There were other entries in which she worried that I might see through her so she'd act all shitty with me to throw me off the scent. This didn't make sense to me, but then girls rarely did.

That night I made up my mind as to what to do and waited for the right opportunity to present itself.

It came along a couple of days later. Everyone else was out for the evening, and Gina was in the shower. She'd locked the

door, but I was able to open it quietly from the outside with a paperclip.

I slipped inside and locked the door behind me again, then admired Gina's naked body through the steam as she soaped herself down, oblivious to my presence.

"Mind if I join you?" I asked, using the exact same phrase she'd used in the shower fantasy in her diary. Gina spun round in surprise to see me leaning up against the bathroom door.

"How did you get in here? Get out!" she shouted, covering herself up with the shower curtain, but instead, I started to undress.

"What are you doing?" she demanded.

“ Warm water streamed over the both of us, and I cupped her tits and thumbed her nipples...”

"I'm going to get in the shower with you and fuck you, so let's drop the pretence, shall we?" I replied, pulling off my shorts to reveal an almighty erection. Gina stared at my prick with saucer-wide eyes, utterly gobsmacked. "What's the matter? Don't you want to fuck or something?" I asked, stepping under the water.

I kissed her before she had a chance to answer, and after a few confused seconds, she began kissing me back. She reached down and took my hard length in both her hands and worked it backwards and forwards, almost as if she couldn't believe this was really happening. Warm water streamed over the both of us, and I cupped her tits and thumbed her nipples as I kissed her hard on the mouth. Gina plunged her tongue inside my mouth and pressed her flat belly against my eager meat. I ran my fingers down the small of her back then in between her buttocks, searching out her

pussy from behind. She parted her legs and gave a little whimper as I pumped my fingers in and out of her quim until she was as wet inside as she was out.

Gina moved my dick between her legs and eased it into her warm fleshy slot. She was so lovely and tight that it took a little gentle working before she had my whole length inside her. When I did, she wrapped a leg around my back and gyrated her hips against me, grinding her slippery pussy down onto my super-hard cock.

I stroked her soft buttocks all over, then slipped my fingers up, in-between them and stuffed one inside her arsehole. Gina seemed to like this with because she sucked hungrily on my tongue and fucked against me hard as I stroked my middle finger in and out of her ring.

"Oh, that's it," she moaned as I quickened my strokes and fucked her with short, sharp thrusts. Gina scratched her nails down my back and

pulled hard against my buttocks as she panted with lust, then she tensed up all of a sudden, then released. I continued to fuck her for a few more minutes, building up a nice warm feeling in my cock, then pulled it out of her and told her to suck me off.

Gina did as I told her and dropped to her knees and pulled me into her mouth just as I came. I knew from her diary that drinking my sperm was a favourite fantasy of hers and I was only too happy to grant her her wish, spilling hot cum all over her tonsils as she milked me into her mouth.

I never let on the reason I made my move, but the cold war between us is well and truly over with Gina, and I spend most nights in each other's room. I still read her diary from time to time, but there are very few new fantasy entries these days as

we're doing pretty much everything for real. – *Anthony, London.*

TWO-PRONGED FUN

I love sucking cock and when I'm really in the mood, I can bring myself off doing it without even having to touch myself. Not that this often happens because I love to masturbate while I'm down on a bloke, it's the most sensual and intimate feeling in the world, especially when he spunks in my mouth.

However, just lately I've been getting a real desire to try two cocks at the same time – one in my mouth, one in my pussy – so I asked my boyfriend if he could bring one of his friends home to fuck me from behind while I sucked him off. My boyfriend was horrified so I pretended I was joking and realised I'd have to find another way to fulfil this particular fantasy.

A day or so later, I called work and told them I was sick, then jumped in the car. If I was to do

this, I didn't want any comeback, so I drove somewhere where nobody knew me and went looking for sex. I was on a tight schedule and had to be home by five, so I didn't have time to pussy-foot around. I drove to a pub and nervously propositioned a couple of guys, but they turned me down, so I quickly left, all embarrassed. I tried two more places and met with similar lack of success and was just about to give the whole thing up as a dumb idea when a couple of guys working on a building site whistled at me as I went past. I turned on my heel and approached them.

"You like what you see, do you?" I asked. They laughed at me brashly, as if they were expecting me to have a go at them, but I just smiled. "The question is, is that all you can do, whistle?"

"We can do a whole lot more than that, love. Want to see?" one grinned.

"Yes, I do," I said, looking at their van.

"Both of you in there right now and show me what's what." The guys looked at each other in disbelief but followed me into the van, and we shut the door.

I dropped down and tore open one guy's jeans and offered the other one my curvaceous bum. The guy behind me pulled my skirt up and my knickers down and stroked my plump lips with the flat of his hand. I pulled the other guy out through his fly and sucked his stiffening cock to rigidity within a matter of seconds.

He had a lovely hard cock, slimmer than my boyfriend's but very long, and I sucked and licked it all over, breathless at the sheer sluttishness of what I was doing. The guy behind buried his face between my buttocks and licked my pussy until it was buzzing from his touch. I sucked on his mate's juicy prick even harder and spread my legs as wide as I could in the confines of the van and moaned when I felt fingers start to pump me in both holes.

"Fuck me! Fuck me!" I demanded, desperate to feel his fat cock inside my

"I sucked on his mate's juicy prick even harder and spread my legs as wide as I could..."

cunt. The guy straightened up behind me and rubbed his prick backwards and forwards along the crease of my arse, making me shudder with anticipation. I filled my throat with cock and readied myself to be fucked as I felt strong hands spreading apart my buttocks and pussy lips.

His fat tip found my hole and nudged against me again and again, slowly working its way inside. He pulled me back by the hips and jabbed forward, stuffing me full of rock hard man-meat, and I stifled my groans around his mate's cock until I felt his balls against my pussy.

"That feels so good," I gasped, wanking one cock onto my tongue while another slid in and out of me from behind. I kissed and sucked on this lovely prick, almost swooning with all-consuming lust as my pussy was pounded, and I knew I wouldn't be able to last long. I reached a hand between my legs and frigged myself off as I was spit-

roasted, and after only a couple of seconds, I was yelling and

my fingers. I

my clit and

and he drove into

harder until he

out onto my bumhole, making me feel deliciously dirty.

I wanked off his mate's cock into my open mouth and soon had him splashing his slime all over my tongue and the back of my throat.

I closed my lips around his shaft and swallowed hard, drinking down everything he gave me.

This was such a horny experience that I'm seriously wondering if I'll ever be satisfied with just one man again. – *Alison, Folkestone.*

Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

ARSE ONLY PLEASE!

In centuries past maiden virgins who wanted to save themselves for their husbands would traditionally take it up the arse before finally submitting themselves on their wedding night. I thought these days were well and truly over... but I was wrong!

I'm in my 30's and an advertising executive in London. About nine months ago a new girl joined the office. She was in her late 20's with the combination of innocent sweetness and overwhelming shyness. She was impossibly pretty too with long blonde hair and the fresh face of a teenager. It soon became apparent that she lived a very sheltered life, and not much was going on for her sexually. This just made her all the more irresistible, and I spent a good few hours imaging what it would be like to corrupt her.

One day she came to work very upset. It turned out a boy she was close to had let her down, and she was now alone. She was grateful for my empathy, confessing to me, "I feel so frustrated, I'm 27, and I want to do what other girls do!" She blushed, and I took it as my chance to say, "I can help you out if you let me." Minutes later, we were making our way to my flat.

She was so shy that I realised the easiest way would be for me to get completely naked first. I took my clothes off, and she got her first glimpse of my now engorged member. "Oh my goodness," she breathed, "it's just so

huge!"

My poor cock was more erect than I could ever remember it being before, and it was so arousing to have it admired at such close proximity by such a pretty girl. She gingerly reached out and touched the shaft and pulled my foreskin back entirely. Then leaning forward, she began to softly lick the helmet. It was like a tickle from a feather; it was so heavenly. She then tried to take it into her mouth, but that was too much for her, and she blurted out, "Oh, this is so wrong!"

For a few moments, we were both silent. She looked angelic sitting there fully clothed while I was naked. When I thought it was impossible for her to

"She then tried to take it into her mouth, but that was too much for her..."

surprise me anymore, she announced, "I can't take my clothes off in front of you, and I can't let you take me up the front passage." She paused, and then said quite confidently, "I want you to take me up the back passage!"

I was stunned, not even my most liberal girlfriends had allowed me this. She looked so awkward suddenly as she unhitched her skirt to reveal her skimpy white thong, which hugged her wet mound but barely covering it. Nervously she knelt down and pushed her cute arse up to me. She hadn't removed her thong but pulled the thin gusset aside just enough to reveal her tight little arsehole. "Please don't make take them off, just shaft me up there."

It was the most glorious sight, my fantasy come true. The most gorgeous girl kneeling in front of me

with her bare arse in the air waiting to be taken. I put my hands on her buttocks and stretched her arsehole wide open. My head was pounding like a drill as I pushed a finger deep into her wet hole. It felt warm and dirty. I leant forward and started to lick around it, intoxicated by the heat and smell from her pussy below.

I eased my fingers into the gusset of her panties to get some hot juice to lubricate her puckered hole. "Oh, please, just do it!" she sighed. I was in no hurry, and it was such a thrill to tease and tantalise her tender virgin hole with my glistening helmet. She was in a real state. Her face was flushed as she furiously wriggled her bottom and tried to get me inside her. I decided to hold on as long as I possibly could and gently rubbed her scalding clit with my index finger. After only a few seconds, I could take no more. I pulled her arse as wide as I could and plunged my aching cock to the hilt.

She was so tight, and she seemed to spasm around my dick. Her face contorted with into a strange mix of

"I took great pleasure looking down at my cock, sliding in and out of her now gaping hole. I rammed harder and harder as she humped back onto my prick..."

agony mixed with pure ecstasy. I started to really go for it then, pulling out and then ramming home again and again. She was fighting for breath, and her whole body shook with pleasure. I took great pleasure looking down at my cock, sliding in and out of her now gaping hole. I rammed harder and harder as she humped back onto my prick eagerly matching every thrust.

Moments later, her whole body violently shuddered as a mighty orgasm tore its way through her. I too was at the point of no return and desperately wanted to paint my seed all over her innocent face. As I came to the boil, I pulled out and kneeled over her. I confronted her with my throbbing dick. Her saintly face was a combination of delight and terror as she anticipated what was about to happen.

Lottie
PHOTOS: IAIN THOMSON

Oh Lottie, your big eyes really are quite dreamie, and while I'm busy swimming around in them, what really turns you on?

Lots of different things. I like being wined and dined and being romanced, then lots of soft, gentle sex. But then I also like being fucked up against a wall in an alley, where there's a chance we might get caught. It all depends on my mood – sometimes I like being demure and sophisticated, and other times I like being a filthy little slut.

And do you always do your sunbathing in the nude?

Of course, it's the only way to get an all-over tan, though I haven't done any lately. Besides, I'm a complete exhibitionist, and I totally love it when guys stare at my boobs when I'm topless on the beach. Having all those eyes on me, and the hot sun on my body, makes me so damp I usually have to run into the sea to cool down... and so no-one can see me playing with my pussy!

Lottie 

What our well-placed moles are telling us this month...

DOWN THE WIRE

NO GO!

It's all about the auto dude!

Pass Go, straight to Jail!

Excuse me, Sir, is this an automatic or a manual? Police arrested Antoren Bell in Escambia County, Fla., following an attempted robbery. However, this less than two-bit thief was foiled by the manual gearbox. Bell had flagged down his female victim and forced her from the car

at gunpoint. Needless to say, he didn't get far – a kangaroo hop in total – and was forced to abandon the robbery. Bell was later picked out from a line-up and charged with vehicle theft, robbery and criminal mischief. Perhaps he'll be sentenced to driving lessons...

Quick Peck!

It was one cute button!

Sixty-two-year-old Peggy Hill puckered up and planted a kiss on a police officer's conker, but unfortunately, her affection was not returned. Officers were responding to a report of an altercation between Hill and one of her neighbours when the smooch occurred. Sgt.

Randy Lamb was speaking to Hill when she leaned in and kissed his nose against his will. Sgt. Lamb wiped away the saliva and attempted to take Hill into custody. Hill is currently being held on charges of battery of a law enforcement officer. That will teach you to be called Randy!

Birdbrain!

Lt. Andy Jackson, a sheriff in Maury County, Tennessee, has found himself in hot doo-doo after discharging his weapon in an attempt to shoo a turkey that was doing its business on his police car. Lt. Jackson fired a warning shot to scare the bird off in a secluded area. Still, the incident only came to light after another member of the force dobbed him in via Facebook, which saw Jackson reprimanded for a simple reason: "We don't train to use our firearm to scare animals off vehicles". No need to get in a flap about it.
